Merit Selected as Builder for I-35 Logistics Park

Merit General Contractors is pleased to announce that they have been selected as the builder of the I-35 Logistics Park in Olathe, KS.

I-35 Logistics Park, which will include 3 Bulk Distribution Facilities, will be located near the new BNSF Intermodal. When completed, I-35 Logistics Park will include over 3 million square feet of distribution / warehousing / storage facilities.

Being delivered under a design build delivery method, Merit is currently working on design of the first building, which will include an 823,000 SF warehouse / distribution facility, and associated site infrastructure for the entire development. Construction of the first building is tentatively planned for the summer of 2011.

Merit General Contractors, a full service general contractor, design builder and construction manager located in Olathe, KS has been building for retail, commercial, industrial and multi family clients since 1991. Additional information about Merit General Contractors is available @ www.meritkc.com.
